

March East Service Area

Full Service Treated Water

Proposed Rate Increases Effective May 11, 2009

The Board previously adopted rates and charges for retail water service which are currently in effect for the March East service area. These rates and charges are set forth below in the "Current Rate" column. The rates and charges which are proposed to be increased pursuant to Resolution 2600 are set forth below in the "Proposed Rate" column.

| | Current Rate | Proposed Rate | Difference |
|------------------------------|---------------------|----------------------|-------------------|
| Water Rate per Unit * | \$2.90 | \$3.22 | \$0.32 |

* A "unit" is equal to 100 cubic feet of water or 748 gallons.

Sample impact of proposed rate:

Actual billing will vary with usage.

| Average Monthly Use - 107 units | | | | |
|--|----------------------|-----------------------|-------------------|--------------|
| | Current Rates | Proposed Rates | Difference | |
| Water Charge | \$310.30 | \$344.54 | \$34.24 | |
| Total | \$310.30 | \$344.54 | \$34.24 | 11.0% |
