	<p>Terms and Conditions</p> <p>A certified meter calibration report is required prior to connection to Western Municipal Water District's (Western) system. The meter must be calibrated to read in HCF. A new calibration report will be required with the use of every 100,000 HCF.</p> <p>Water obtained from a hydrant is non-potable and may only be used for construction. Water must be taken at a nearly constant rate into an overhead tank, unless otherwise approved. Water must be turned on and off slowly. Failure to operate this service in this manner may cause for denial of temporary water service _____ (Initial).</p> <p>Service is subject to all rules and regulations of Western Municipal Water District (Western). In particular, service is dependent on sufficient system capacity and availability. The number of meters, and their location is strictly limited during shutdown. Signor agrees <u>NOT</u> to use water through the meter from _____ through _____ (Initial _____).</p> <p>Temporary hydrant meters must be used on a designated fire hydrant with an approved Reduced Pressure (RP) Backflow Assembly. At the time of installation the RP Backflow Assembly will be tested by Western the first time as part of the \$150.00 inspection fee. Western's Operations staff will coordinate with customer to have temporary meter installed, locked on, and backflow assembly tested. The satisfactory test results will be forwarded to Western's staff when the test is performed. If the meter is relocated, a new backflow test will be required. Western can re-test the assembly for a fee of \$40.00, which will be applied to the account. For annual testing customer can elect a Certified Backflow Prevention Assembly Testers from Western's approved list. If the meter is found being used without backflow, a penalty will be charged for failure to comply. Please refer to Western's Water Ordinance 386 _____ (Initial).</p> <p>† All meters be locked on at the time of installation. It is the Customer's responsibility to inform Western immediately if the meter is lost, stolen, or damaged. If theft or damage occurs † _____ (Initial).</p> <p>It is the Customer's responsibility to contact Western's billing department at 951-571-7104 for removal or relocation of the meter. The meter deposit will be applied to the account at the time of the final billing once all system charges, water use, and other fees have been deducted. Western reserves the right to withhold all, or a portion of, the deposit up to the amount of any past due account balance(s) the customer may have in their name. If all account balances are current, any remaining deposit balance will be credited to the customer account. A refund is only issued if the account has a credit balance AND the customer does not have another active account. _____ (Initial).</p> <p>The service shall be used only by the Customer named in this agreement. WMWD reserves the right to remove the service if it is not being used correctly. I have read and agree to comply with all terms and conditions.</p> <p>Applicant Signature: _____ Date: _____</p>
